

APPLICATION FOR SUMMER BOARDING PROGRAM

2019

Our Boarding Programs are designed to introduce students to Canadian culture, history, geography and social activities. Our students travel extensively around the Vancouver area and participate in a wide variety of Canadian culture activities. We do our best to provide a program that is fun, rewarding, and above all, safe. At the same time, we acknowledge that there is always some risk involved in all activities, even when they are safely managed. The following information is intended to give participants clear details regarding the nature of our program and potential risks involved. For more information regarding curriculum, tours and living arrangements, please see our promotional brochure.

We give careful consideration to group sizes, staff to student ratios, instructor qualifications, types of activities undertaken, equipment used, sites selected, and instructor decision making. There are, however, inherent risks involved in our programs. These include a host of factors ranging from truly accidental and environmental (weather, terrain, animals, etc) to human actions and inactions. It is important to understand the types of activities participants will be doing and acknowledge the risks associated with these activities. If you have any questions please contact us for clarification. You are required to review and sign the back page of this form for those activities to which you consent to participate. You do have choice and it is acceptable for you not to offer consent for all activities.

- **Leadership and Safety Personnel:** St. George's Summer Boarding Program is operated by staff hired by St. George's Summer Programs. Each program is led by several coordinators and assisted by many other counselors. A nurse/first aid attendant is on site from Monday to Friday during daytime hours. Additionally, there are several medical clinics in our neighbourhood and many of our staff have basic First Aid training and certificates.
- **Biking:** all participants must wear helmets while on bikes, and follow safety instructions. In particular, students must stay between group leaders on trails or roads. Non-riders are provided tandem bikes.

- **Swimming:** all campers must pass a swim test (25 meter minimum) in order to swim without a life jacket. They may only swim in the presence of qualified life guards. Local indoor and outdoor pools as well as water parks are visited.
- **Bus or Van Transportation:** St. George's bus drivers all have class 4 licenses and must provide a satisfactory 'Record of Driving History' form and be briefed on the latest changes and requirements for drivers. At times, small numbers of students or chaperones may be transported in the school minivan by staff to and from local attractions, in particular when we exceed a bus limit.
- **Food Concerns:** Most meals are provided by our cafeteria services but there will be a number of meals prepared by local restaurants. Campers with food allergies must provide clear details of the allergy on the medical portion of this form. The school does not guarantee a "nut free" menu.

Chaperone Guidelines

1. Smoking and drinking alcohol are not permitted on school property.
2. Please do not enter other students rooms (if there is an emergency contact a staff member).
3. After 10pm please do not visit with students. Students should be in their own rooms (if a student is upset and you need to calm him/her down you may do so with permission from a staff member).
4. Please do not interfere in conflict resolution situations between students. Notify a staff member and cooperate with him/her. Any concerns about student conflict should be brought to a staff member's attention privately.
5. In case of a fire/earthquake emergency, please follow instructions from staff. Safely exit the building to the meeting area for a head-count. Do not re-enter the building.

ACKNOWLEDGEMENT OF RISK & INFORMED CONSENT

As a registrant in the Boarding Program at St. George's School, I understand that I will be participating in the following activities that all have a certain amount of risk involved.

I agree to participate in all the listed activities to which I have assigned my initials below. I recognize that these risks could result in losses that involve physical injury or death, emotional trauma, or financial cost. I feel that I have fully informed myself about the nature of these activities, the inherent risks associated with these activities and the types of controls St. George's School intends to utilize to reduce the risks of these activities. I have read all sides of this form in its entirety and recognize that I have been encouraged to ask for clarification if unsure.

Please initial beside each activity for which you agree to participate:

Initials	Activity	Risks include, but are not limited to:
→	Biking	Collisions or crashes with pedestrians, bikes, autos
→	Hiking	Slipping, falling, joint injuries
→	Swimming	Drowning, hypothermia
→	Bus/Van Transport	Automobile accidents while travelling

Furthermore, I do hereby consent to the administering of medical treatment and immunizations while in the care of St. George's Summer Program, provided that such medical treatment and immunizations are found to be necessary or advisable in the opinion of the medical advisers to the Summer Program for my well being, and the medical treatment and immunizations are performed by those employees of St. George's Summer Program or such others at the request of St. George's Staff, who are properly qualified to perform such medical treatment and immunizations.

I acknowledge that St. George's Summer Programs provides short term medical coverage for international boarding students and chaperones that includes the costs of immediate medical attention during their stay at St. George's School. This medical insurance coverage does not apply to medical services after I leave Canada. In addition, I recognize that if I have pre-existing and/or on-going medical conditions I must inform the school before attending the camp to confirm coverage.

I authorize St. George's Summer Program by its lawful representatives, for as long as I am attending the program at the School, to enter and execute on our behalf such consent documents or other documents as may be required by medical practitioners, health care professionals, hospitals or the City of Vancouver Health Department in connection with medical treatment and/or immunizations.

All information on this form is accurate as of today's date. If there are any changes between now and the program date, I agree to contact St. George's Summer Programs with updated information.
